

Creating a Direct Payment for Multiple Vendor Invoices or Credit Memos

Using Commodity Level Accounting

These instructions allow you to create a payment or credit memo for a Vendor (payee) with multiple invoices or credit memos, using Commodity Level Accounting.

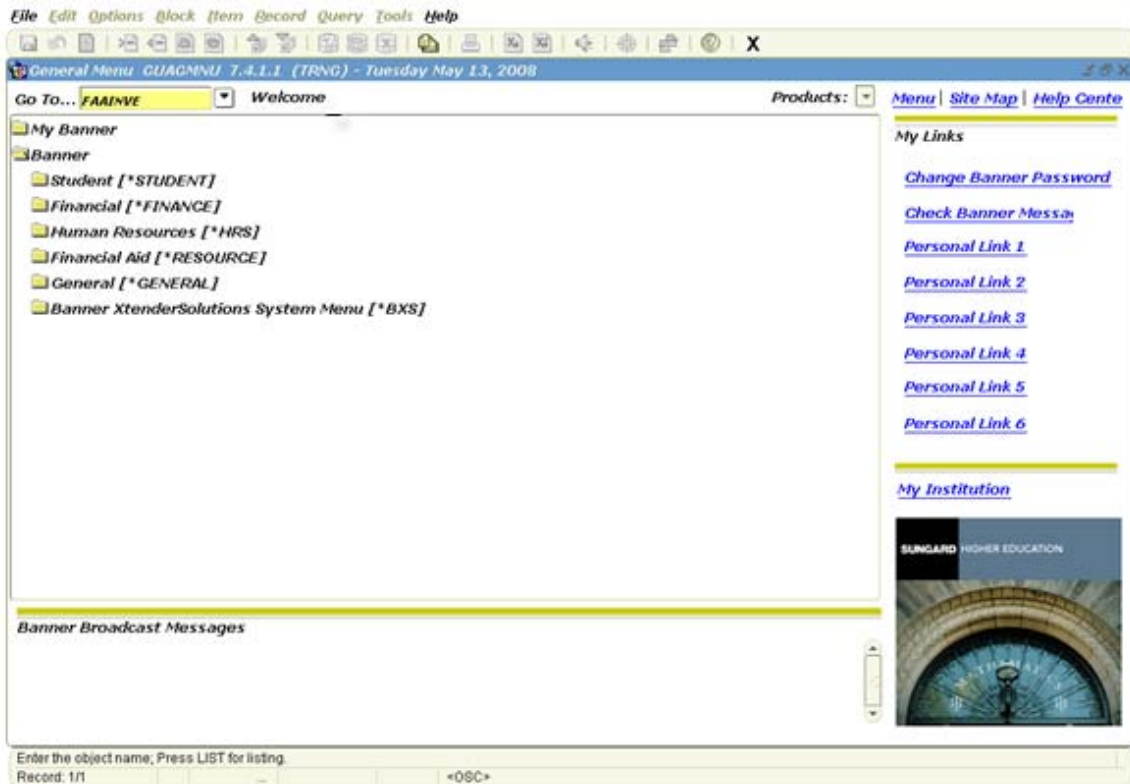

Commodity Level accounting is the default accounting for myGate documents. Each commodity (or item) will have its own FOAPAL(s). Commodity Level accounting must be used when any of the commodities or items should be tagged for inventory purposes. Commodity Level accounting should be used anytime you want to charge a specific item to a particular FOAPAL string. For example;

E-2610 Desktop computer	\$ 2600.00	<	\$1950 to FOAPAL 1
			\$ 650 to FOAPAL 2
G-356 One Touch Mini.....	\$ 150.00	—	\$150 to FOAPAL 3
INVOICE TOTAL	\$ 2750.00		

To create a Commodity Level Multiple Invoice/Credit Memo, you must know or have the following;

- *The paper Vendor Invoices or Credit Memos or any other forms used to make a payment*
- *The Accounting Stamp*
- *The vendor ID code or vendor name that exists in the Banner table. You can look up the Vendor in the Entity Name/ID Search (FTIIDEN) form. (If the vendor is known but does not exist, complete and submit the [Vendor Request \(VR\) Form](#) to Procurement Services.)*
- *The FOAPAL string(s) that you will charge*

- 1) Stamp all your paperwork with the Accounting Stamp using red ink

- 2) On the Internet Native Banner (INB) menu enter FAAINVE in the 'Go To' box and press enter

Invoice/Credit Memo FAAINVE 7.3.0.4 (TRNG)

Document: NEXT Multiple Direct Pay

Vendor: V1 Office Max

Enter NEXT or leave blank for automatic assignment or enter document number; press NXTFLD.
Record: 1/1 ... <OSC>

IMPORTANT

You must tab through each field so defaults and calculations will work.

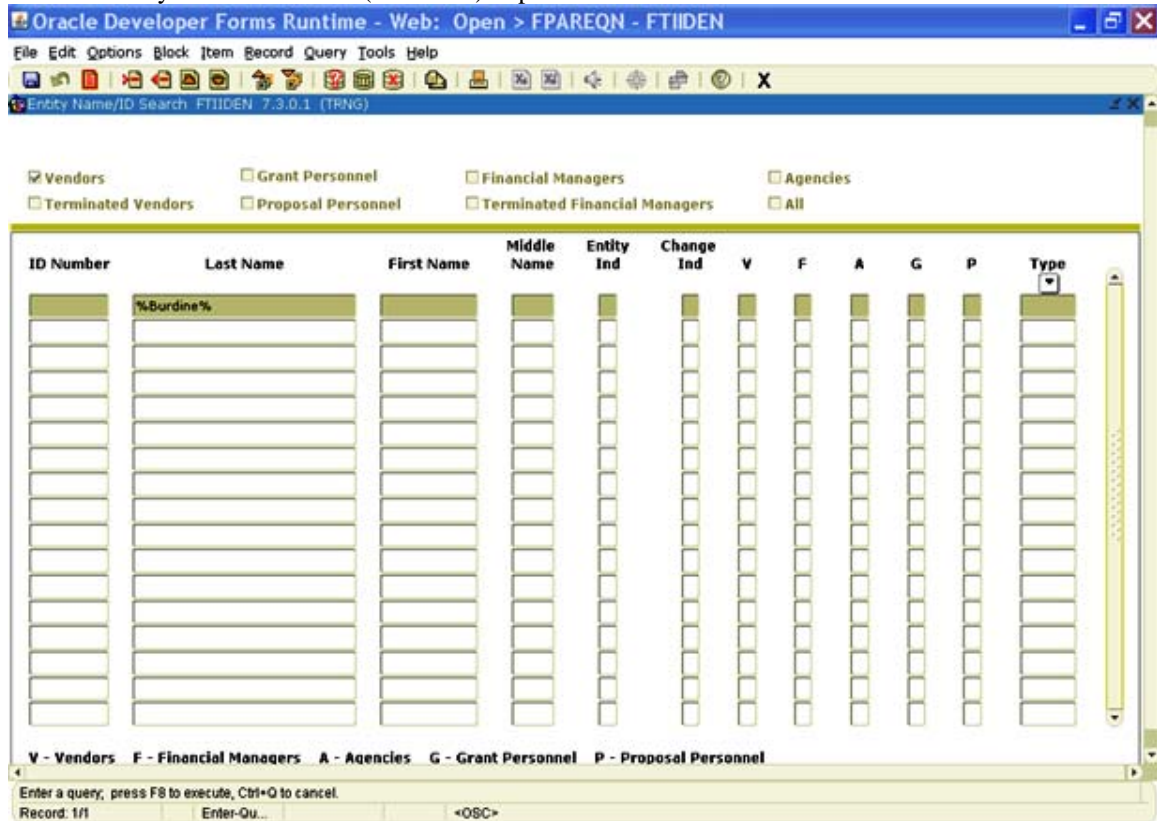

IMPORTANT

Look at the help line on the bottom of each screen often as it shows helpful information and error messages.

- 3) Press to go past 'Document' box. 'Next' will appear to show Banner will create a Document number
- 4) **Click in the 'Multiple' box to add a check mark**
- 5) Make sure 'Direct Pay' is shown and past

- 6) Enter Vendor ID in Vendor box and press  and go to step #7. If you do not know your Vendor ID then do the following;

- a) Press  or click the search icon 
- b) Click on Entity Name/ID Search (FTIIDEN) to perform a Vendor Search

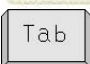

IMPORTANT

To select the one you want on a search form you must always double-click in the FAR LEFT column. In this case it is the ID Number column. Clicking in a different column does not always work.

Search is case sensitive so put Capital letter at beginning of name.

The % before and % after is the best way to search.

- c)  to the 'Last Name' field
- d) Enter a unique portion of the Vendor name, using mixed case with the wild card “%” before and or “%” after, as necessary. For example, if you are searching for the Vendor Office Depot, then enter Office% or %Depot%.
- e) Execute the query by pressing  or click the Execute Query icon  from the toolbar.
- f) Scroll down if necessary, to find the Vendor as listed on the paperwork
- g) Is your Vendor listed? If yes, then double-click in the 'ID Number' column of the Vendor you want, press  and go to step #7. If no, then go to the next step.
- h) Click the X, at the top of the block, twice to exit from the FTIIDEN and FAAINVE forms. Click No so you do not save changes.
- i) Complete and submit the [Vendor Request \(VR\) Form](#) to Procurement Services. When the Vendor is in the system you will have to start from step #2

- 7) Click the Next Block icon  or press  + 

IMPORTANT

The following Vendor information must match what is shown on the paperwork.

1) 'Check Vendor' is the Vendor the check is made payable to. It will be blank if the check is payable to the Vendor shown at the top of the screen. Use the same search method in step #6 to find and select a different one.

2) Address is the remittance address. Click the search icon in the Sequence Number box to find and select a different one. You must double-click in the Address Code box to select.

If you cannot find either one then exit this form by clicking the 'X' at the top of the block.

Then a **Vendor Request (VR) Form** must be completed and submitted to Procurement Services. Start at step #2 again when the information is in the system.

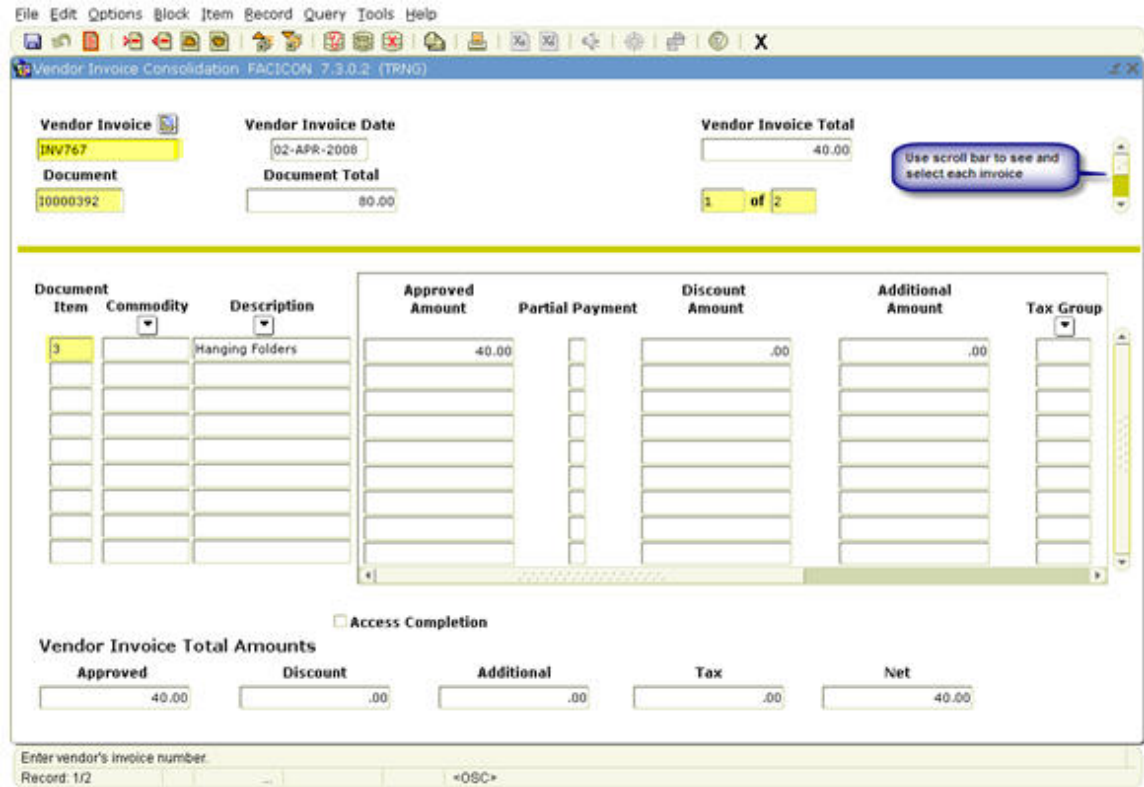

When entering, all dates are in the format of MMDDYYYY. Example: Enter 07012008 to see 01 JUL 2008 Enter T to see Today's date or click on the calendar icon to select a date.

- 8) Enter the date shown on your **earliest** paperwork and press
- 9) past the Transaction Date as it defaults to today's date and should not be changed
- 10) The 'Document Accounting' box should be blank. If there is a checkmark there click on the box to uncheck it. Press
- 11) Verify the address shown matches the remittance address shown on the paperwork. If it does not you will have to change the Address Code or Sequence number to get the correct one.
- 12) Change or past the 'Check Vendor' box. See note at left.
- 13) Change the 'Address Code' if necessary and press
- 14) Change or past the sequence number
- 15) The 'Discount Code' should default in. Do not change this unless there is a discount shown on your paperwork. If there is then delete the discount code shown so the box is blank. You will enter the correct discount on the next screen. Press
- 16) The 'Payment Due' date should default in. Change the Payment Due date to match what is shown on your paperwork. If there is no 'Payment Due' date on your paperwork then set it for 30 days after the invoice date. **This is a required field.** Note: the Payment Due date cannot be before the Transaction date or you will see an error.
- 17) past the Bank box to leave it blank.
- 18) past the Invoice Number box as it will default to 'Multiple'.
- 19) If these are Credit Memos then check the Credit Memo box. If they are payments then leave this box blank. Press
- 20) Ignore the 1099 Vendor box as this is used by Procurement Services or Accounting only
- 21) Click the Next Block icon or press +

The 'of' boxes show how many invoices or credit memos are entered on this document and which one you are looking at.

The 'Document Item' number on the commodity block increases as you add each commodity or item on each invoice.

Example:
If you enter two invoices with three commodities or items on each one then the final document item number shown would be 6.

22) Write the Document number on all the paperwork, where you put the stamp. You are now ready to enter your **first paper document**

23) Enter the invoice number as shown on your paper document and press . Banner will not allow duplicate numbers.

If there is no number, or the payment is for travel or a service contract then do the following and press .

If there is **no invoice number** enter the Invoice date followed by the letter A. If you get a message saying this is a duplicate then enter the date followed by the next letter of the alphabet until you find one that has not been used. AA, BB, etc. can also be used

If this payment is for **travel** then enter TR, the 3 initials of the person who is receiving the payment, and the Month, Month, Day, Day of the first day of travel. Example: John Robert Jones to be paid for a trip he left for on June 1st would be TRJRJ0601

If this is to pay a **Service Contract** then you must enter the Contract Number that Procurement gave you. Do NOT enter the invoice number shown on your invoice.

24) Enter the invoice date shown on your paper document

25) Click the Next Block icon  or press  +  to enter a commodity or item for this paper document

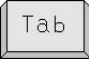

26)  past the first box to enter the description of your commodity or item (include the quantity)

27)  to 'Approved Amount' box and enter the dollar amount of this commodity or item

28)  past the 'Partial Payment' box

29)  to the discount box. This should default based on whatever you entered on the previous screen for the discount code. If you had to delete the code on the previous screen, so it was blank, then enter the discount amount here

30)  to enter the dollar amount of any additional fees, like shipping, for this commodity or item

31)  past 'Net' for automatic calculation

32) Click the Next Block icon  or press  + 

To delete an invoice or credit memo make sure your cursor is in the Vendor Invoice box and the one you want to delete is shown. Then click 'Record' on the menu and select 'Remove'. Again click 'Record' and 'Remove' and it should be gone.

To delete a commodity or item do the same while your cursor is on the highlighted row of the commodity or item you want to delete.

IMPORTANT

University and Foundation Charts CANNOT be used on the same document. The COA number must be the same for every FOAPAL entered.

IMPORTANT

The FOAPAL must be entered in the order shown for the defaults to be shown.

To delete a FOAPAL make sure the one you want to delete is shown. Then click 'Record' on the menu and select 'Remove'. Again click 'Record' and 'Remove' and it should be gone.

The Account Number always begins with a "7". Remember that commodities or items to be tagged for inventory must have an account number with a description of > \$500.

You must enter one or more separate FOAPALs for each commodity or item. Do the following to enter a FOAPAL for the commodity or item shown on the screen.

- 33) To find a number for the FOAPAL you can search for it by clicking on the search icon. Click the Query icon to clear the information shown. Tab to the Code or Title box to enter a portion of the number or name you are looking for, using mixed case with the wild card "%" before and or "%" after. Tab to the Data Entry column and enter Y. Execute the query by pressing F8 or click the Execute Query icon. Select the one you want
- 34) The COA (Chart of Accounts) number default will be 1 for University funds. If this invoice/credit memo is to be paid with Foundation funds then enter 2.
