

Sharing an Advanced Find

Click on "Saved Views"

Click on the box beside your find to select it, then click "Share" at the top.

Click on Add User/Team

Select the users you want to share the find(s) with and hit "Ok".

If you want the user to be able to edit the find (change fields, columns, etc), make sure you select "Write". If you want them to only be able to run the find, make sure "Read" is the only box checked. Then, click "Ok".
