Connecting to MSUGuest

**Step 1.**
With your wireless client connect to the “MSUGuest” network and open a web browser. If you already have an account please proceed to **Step 2a**, if not skip **Step 2a** and proceed to **Step 2b**.

**Step 2a.**
After opening a web browser you will be redirected to a web page that looks similar to the screen shot below. If you already have an account please do the following:
1) Enter your username
2) Enter your password
3) Review and Accept the terms of use
4) Click Log In and you will be connected.

**Step 2b.**
Select the “Click Here” option at the bottom of the page to create an account. Proceed to **Step 3**.

**Step 3.**
You will be directed to a new web page that looks like the screen shot below. Please enter or select the following required information:
1) Your Name
2) Phone Number
3) Mobile Carrier
4) Email Address
5) Review and Accept the terms of use
6) Click Register

**Step 4.**
The receipt below will be filled in with the information from the previous step. Click “Log In” and proceed to **Step 2a**. Your username will be your email address and your password will be provided via SMS Text and email.

The details for your guest account are shown below.
