

SCADETL – Course Detail Information – Catalog Level SSADETL – Schedule Detail Information – Class Section Level

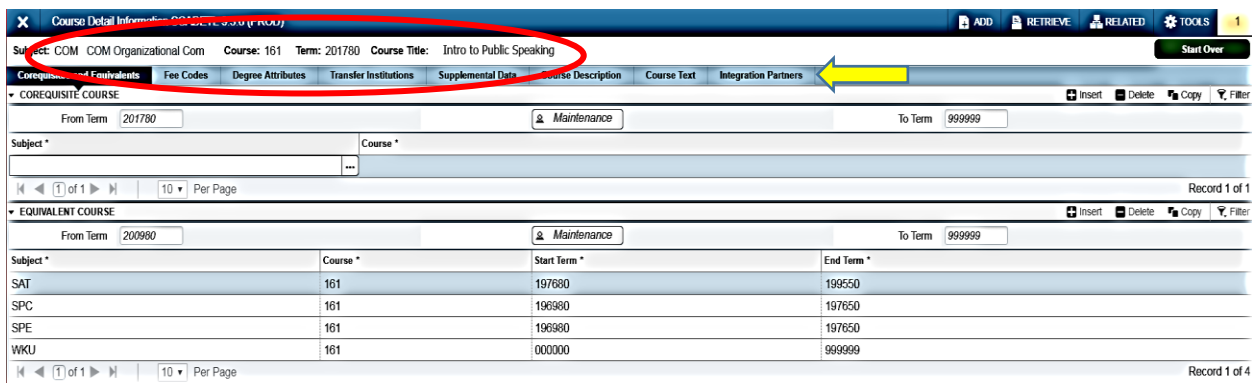

To view additional information about a specific course or section such as course description, you will access information from one of these forms. Note: detail information may be different at the catalog level and class section level, such as Fee/Section Fee Codes (traditional versus web).

After entering the subject, course and term, click GO.

You can click on each tab for information, or use the function key of Alt + PgDn (page down) to move through the form's tabs.

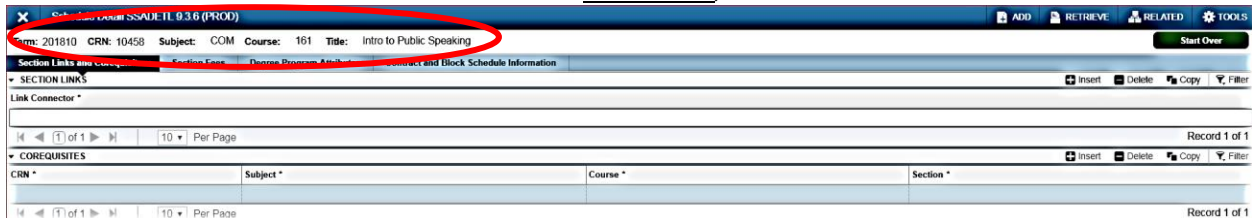

SCACRSE View – Catalog Level – Shows the Course, COM 161, term and course title

From Term	To Term	Maintenance
201780	999999	

Subject *	Course *	Start Term *	End Term *
SAT	161	197680	199550

SPE	161	196980	197650
WKU	161	000000	999999

SSACRSE View – Section Level – Shows the Class CRN 10458, COM 161 and title

CRN *	Subject *	Course *	Section *

SCAETL – Catalog Level – Degree Attributes – Courses that have degree attributes, such as university studies designated attributes will show on this tab. All courses default to TRAD (traditional instruction) at the catalog level. Whereas, at the section level, depending on the instructional method of class instruction, this designation could be WEB or another instructional method designation.
