STUDENT PERMITS AND OVERRIDES

Permit *	Permit Description	CRN	Subject	Course Number	Section
CLOSED	Course Closed Override	10005	ACC	200	04

Record 1 of 1

If a student has multiple overrides applied, to view all, click the arrows, bottom left, or expand the number per page. This form defaults to five lines per page.

NOTE: Override applied must coincide with the registration error message the student receives for the class, i.e. a Permission override will not solve the registration error of Closed class.
