SHATRNS – Transfer Course Information

The screenshot displays the 'Transfer Course Information SHATRNS 9.3.8 (TEST)' interface. At the top, there is a header bar with navigation options: ADD, RETRIEVE, RELATED, and TOOLS. Below the header, the user's ID, Transfer Institution Number (1), and Attendance Period Number (1) are shown, along with a 'Start Over' button.

1. TRANSFER COURSE DETAIL (highlighted in pink): This section contains form fields for course information:

- Sequence Number: 1
- Subject: ENG
- Course Number(s): 101
- Hours: 3.000
- Grade: B
- Title: Writing I
- Group: (empty)
- Primary: (empty)
- Duplicate: (checkbox)

2. Toggle area (highlighted in yellow): This area includes navigation controls for records, showing '1 of 2' records and a 'Per Page' dropdown set to 1.

3. EQUIVALENT COURSE DETAIL (highlighted in purple): This section displays a table of equivalent courses. The table has columns for Sequence Number, Level, Term, Count in GPA, Subject, Course, Hours, Grade, Grading Mode, Repeat, Repeat System, and Title. One record is shown:

Sequence Number	Level	Term	Count in GPA	Subject	Course	Hours	Grade	Grading Mode	Repeat	Repeat System	Title
1	UG	200510	<input checked="" type="checkbox"/>	ENG	101	3.000	B	S	(None)	(None)	English Composition

4. COURSE ATTRIBUTES (highlighted in green): This section shows a table of attributes for the course:

Attribute	Description
CPET	Incl on prior CPE Trnsfer file
WC	CPE-Written Communication

At the bottom right of the interface is a 'SAVE' button.

1. TRANSFER COURSE DETAIL

Displays information about the course from the sending institution including subject, course number, title, hours, and grade

2. Toggle area to move through all Sequence Number records

Available if student has multiple courses from same institution and term

3. EQUIVALENT COURSE DETAIL

Displays equivalency information for the course. Sequence number in this section corresponds to the course with the same sequence number in the previous block

4. COURSE ATTRIBUTES

Displays all attributes tied to the specific course referenced in the previous block

The screenshot displays the 'Attendance Period GPA' section of the SHATRNS interface. It features a table with columns for Attendance Period, Term, Level, Attempted Hours, Passed Hours, Earned Hours, GPA Hours, Quality Points, and GPA. The data for the first record is as follows:

Attendance Period	Term	Level	Attempted Hours	Passed Hours	Earned Hours	GPA Hours	Quality Points	GPA
1	200510	UG	6.000	6.000	6.000	6.000	18.00	3.00

The interface also includes navigation controls at the bottom, showing '1 of 1' records and a 'Per Page' dropdown set to 1. A 'SAVE' button is located at the bottom right.

1. ATTENDANCE PERIOD GPA

Displays total GPA for that specific attendance period/institution
